

Schoology Mobile App: Setup and Login Procedure

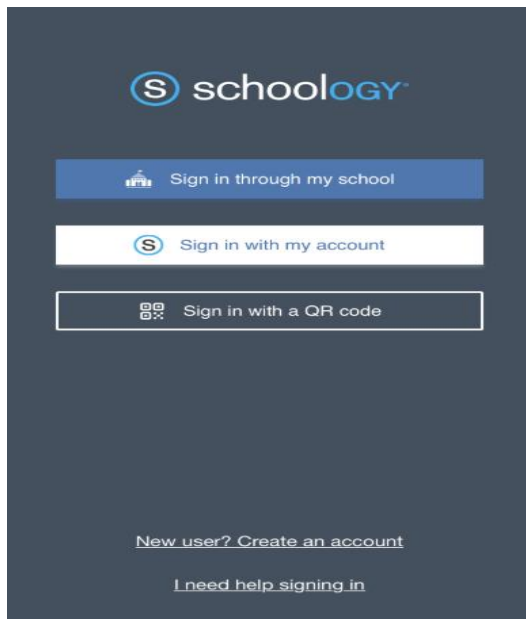

The Schoology Mobile App is available for Apple (iOS) and Android devices.

Step 1: Download the App

1. Open the **App Store** (iOS/Apple) or **Google Play Store** (Android) on your mobile device.
2. Search for "**Schoology**" (it should be the official app from PowerSchool Group LLC).
3. Download and install the app.

Step 2: Locate Your School/Organization

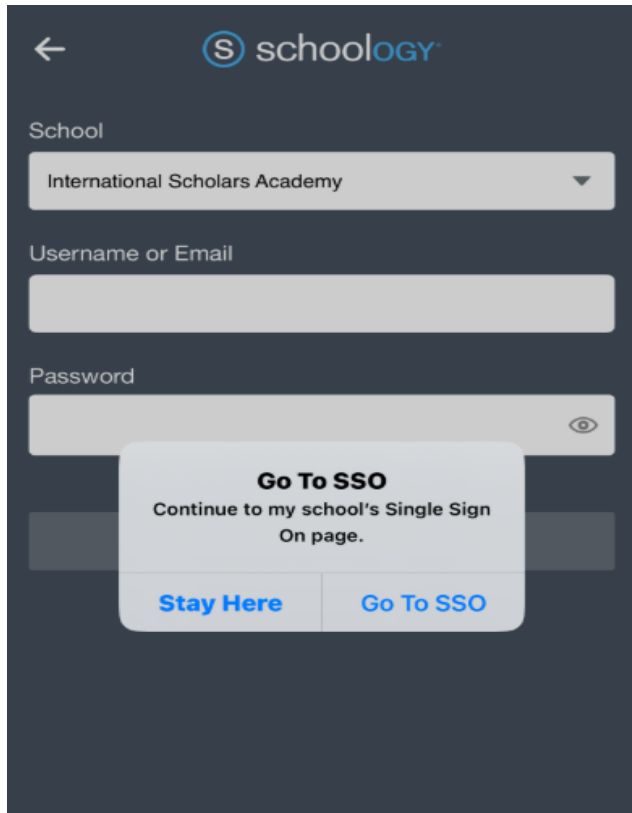

1. Open the **Schoology Mobile App**.

2. On the initial screen, you will be prompted to find your school. Tap "**Sign in through my school**"
3. In the search bar, start typing the name of the school (e.g., isava or International Scholars Academy).
4. As you type, a list of matching schools will appear. Tap the **full name of our school** when it appears in the list.

Step 3: Log In to Your Parent Account

The app will now direct you to the login screen for our school's Schoology system. Click “Stay Here”

1. Enter the **Email Address** or **Username** that you used when you created your parent account on the Schoology website.
2. Enter the **Password** you created for your parent account.
3. Tap **Log In**.

Step 4: View Your Child's Activity

Once logged in, the app will typically show your Parent Home feed. To see your child's information:

1. Tap the **menu icon** (often three horizontal lines) in the top-left corner of the screen.
2. Tap on "**My Children**" section
3. Select the **name of your child** from the list to switch to the student view.
